2023-2024**

This form has been designed to assist international scholars in complying with the FIU, State of Florida and Department of State rule requiring all international scholars to have adequate insurance. Florida International University makes available a policy that meets the minimum standards of required coverage. If you wish to purchase an alternate policy, you must provide proof that your proposed policy provides benefits at least equal to those required by FIU and the State of Florida.

**FAX COMPLETED FORM DIRECTLY TO: (305) 348-1521**

The insurance company must verify that the basic benefits listed below are included in your health insurance policy; if any of these benefits are not covered, we cannot accept the policy.

**Release Information:** I hereby permit my insurance company to release the following information to staff persons at Florida International University. Also, I understand the international insurance requirements established by FIU and agree to abide by them. I understand that alternate insurance policies are approved for limited periods not exceeding one year and the requirements for alternate policy coverage are subject to change. I further understand that I must have my policy reviewed at the end of the approval period indicated below.

I understand that, if alternate insurance is not approved, this does not mean that FIU or any of its employees recommend that I cancel any existing, pending or proposed insurance coverage. A denial implies only that the policy presented does not meet the minimum criteria established by FIU with respect to specific medical insurance coverage.
